# CHRISTMAS AT 11 CADOGAN GARDENS

**11** Cadogan Gardens was built by Lord Chelsea in the late 19th century and originally comprised of four separate Victorian town houses.

With a fabulous location in such a glamorous area, the hotel became vastly popular as a home for home for travelling Victorian aristocrats, politicians and notable personalities of the era.

The Curio - a stunning new private dining room opened in summer 2018, provides the perfect venue for celebrating with friends and colleagues this festive season.

If you are planning a visit to London this December then enjoy the magic of the city with an overnight stay. 11 Cadogan Gardens is a boutique retreat in the heart of Chelsea, just minutes from some of the best shopping destinations in the world.
